Conrad Clark Retainership

We are your strategic partner for business turnaround and workforce productivity enhancement. Our retainership is an effective tool for continuous process improvement and skills transfer.

Strengthening business relationships and enhancing client satisfaction are our primary goals.

Our Expertise

With the valuable support of our clients, we have established ourselves as the leading provider of strategic risk and transformational change management solutions and services in Nigeria. Our value propositions include strategic management and client-specific enterprise solutions aimed at increasing profitability and improving organisational efficiency and competitive advantage.

We currently have over 40 solutions spanning consulting and assurance, risk management software, thought leadership summits and webinars, online learning tools, among many others that are supporting organisations and others in creating value, improving performance and achieving their goals and objectives.

We have received amazing feedback and recommendations from hundreds of organisations we have supported across different sectors in enterprise risk management (ERM) implementation. Whether your organisation is a small and medium-sized enterprise (SME), large corporation or public sector institution, having a retainership with us to strengthen your risk capacity would be to your advantage.

Benefits of Retainership

Our retainer scheme delivers continuous value to our clients as they go beyond single sales to benefiting from the full spectrum of our solutions and services on an ongoing basis.

01
Thought leadership and access to constant world-class business advisory.

02
Regular system health checks

03
Strategic decision-making support

04
